

# Resources for Breast Cancer Statistics and Epidemiological Data

## 1. Susan G. Komen Breast Cancer Foundation, Puget Sound Affiliate

The website for the Puget Sound Affiliate of the Susan G. Komen Breast Cancer Foundation has information about the demographics, breast health indicators, resources, and gaps and barriers to services for 16 counties in Western Washington.

[www.komenseattle.org](http://www.komenseattle.org) (Listed under Komen Grants, Needs Assessment, County Snapshots)

## 2. Washington State Cancer Registry

The Washington State Cancer Registry website has state-specific cancer data. Charts and graphs can be created and data can be stratified by county, year, race, and other key factors.
